

## It's Time to Check Your Pulse!

PULSE continuously searches for qualified employees through focused advertising, recruiting fairs, employee referrals, internet advertising and trade schools.

Our employees enjoy generous benefits, enabling PULSE to attract and retain experienced people.

PULSE employees receive orientation and training prior to reporting for work.

Ongoing quality assurance and continuous quality improvement is performed to ensure consistency and proficiency of both the employees and our service.

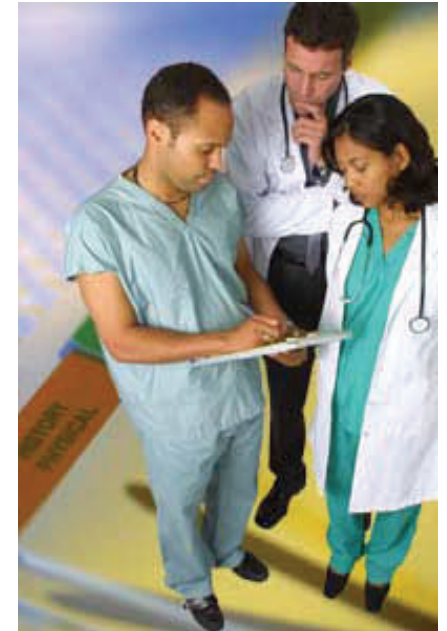

We are certain that once you experience the PULSE Staffing difference, you will be our client for life.

## Experience

Locally owned and operated, Pulse Staffing has provided qualified personnel to the medical community of central and southeast Texas for over twenty years. Our clients include world renowned teaching facilities, community hospitals, insurance companies, large clinics and individual physicians. Regardless of your size, Pulse has a staffing solution for you. Pulse Staffing has been awarded the Gold Seal of Approval by The Joint Commission for meeting the stringent requirements of their Healthcare Staffing Certification Program.

## Tailor Made Service

Each of our employees has satisfied our stringent selection requirements. Employees of all skill levels are carefully screened and evaluated through personal interviews, license and certification validation, verification of past employment and a variety of skills tests.

Whether it's for a day, a month or a lifetime, Pulse Staffing has a solution to meet your needs. Choose from one of our convenient staffing options:

## Temporary Staffing

### For Everyday Workplace Demands

Pulse specializes in offering innovative staffing solutions to meet your everyday workplace demands. Whether you require a large volume of employees or just a few, our specialized staffing management software will match your requirements to the right employee. Benefits include:

- Reduced Unemployment and Workers Compensation exposure
- Drug, background and proficiency testing
- Four-hour replacement guarantee
- Skills assessments / Reference checks
- Reduced risk of frivolous lawsuits

## Direct Placement

### Finding Your Most Valuable Asset

Our Direct Placement option offers clients an extensive candidate search and selection process. Complimenting the search are in-depth interviews, extensive reference and background checks, innovative behavioral and skills assessment accompanied by presentation of only the most qualified candidates. Many of the very best candidates are currently employed resulting in our professional recruiters having to perform an extensive search unavailable through traditional sources. Benefits of our Direct Placement program include:

- Reduction in recruiting expenditures
- Increased candidate pool selection
- Reduced candidate selection time
- Cost savings from traditional advertising
- You can concentrate on your core business
- Access to multiple forms of recruitment

## Temp to Hire

### A Customized HR Solution

Our Temporary-to-Direct Hire option allows the employer to experience a candidate's superior performance before having to make a long-term commitment. Our custom program has saved clients countless headaches and hours of wasted training. This solution is our most popular hiring tool.

- Timely evaluation period
- Reduced hiring and training expenditures
- Increased productivity and efficiency
- Higher retention and employee morale
- Reduced Unemployment and Worker's Compensation exposure
- Try before you buy
